Hi Milene,

Yes, we can add this location to your CARE + schedule. We have cleaned this area underneath Chandler Blvd. East of Chandler in the past. I have

noticed you have included Diana who is your CSG representative on the email. We will ensure there is an authorization generated with the proper information prior to scheduling it.

The areas located underneath the bridge is considered areas closed off to the general public and should be posted with private property postings. If the area is permanently posted and fenced off, you can reach out to LAPD to enforce "No Trespassing".

Hi Howard,

I hope you've been well since our CD4 Care team ride along! Thanks for making the time to allow me and Nikki to observe the Care team at work.

There is a growing encampment in our district, at Coldwater Canyon and Chandler, that is in the Tujunga wash. The area where the individuals have set up an encampment is on city property, but it is hard to reach. I've attached two photos below.

We just got our dates to schedule Care+ in March (our Care liaisons Leon and Diana are cc'd). I was wondering if the Care+ team would be able to service this location? It is going to be tricky to get down there.

Thanks for all your help,

Milene
